

Bill Progress Report

This Bill Progress Report is designed to provide members of the Missouri Bankers Association with timely information on the status of all state legislation pertinent to their industry. Another service of MBA Legislative Watch is the analysis of ALL legislation introduced in the Missouri General Assembly. Requests for information not contained in this report, including copies of individual bills, will receive immediate action. For more information on these bills, visit the Government Relations Page of the MBA Web site at www.mobankers.com.
