

Transform Your Career with GSBC

The Graduate School of Banking at Colorado understands the unique needs of *community banks and their leaders*.

GSBC's programs are critical for educating and supporting community banking and fostering leaders who can **boldly** impact the future of their banks and local economies.

For more information, visit
www.GSBCColorado.org.

Annual School Session GSBC's Flagship Program Since 1950

Bold Leaders

- Practical takeaways to **apply immediately** at your institution.
- A powerful Peer Group Program and networking opportunities with **community banking** professionals from across the country.
- Peer-focused projects and **innovative course offerings** to accelerate personal and professional growth.

Next Session: July 13-25, 2025

Executive Development Institute for Community Bankers®

Bold Succession

- Institution-specific strategies derived from project work and a dual curriculum focused on **bank management and leadership topics**.
- **Executive coaching and mentorship** from industry leaders.
- A peer-learning classroom model to **foster collaboration** on strategies for leading community banks in a competitive landscape.

Next Session: Oct. 19-22, 2025
