

An Introduction to Health Savings Accounts

WEBINAR

February 26, 2026 | 8:30 a.m.

HSAs: BEYOND THE BASICS

As the nationwide growth of Health Savings Accounts (HSAs) continue to rise, financial organizations are beginning to see more complex transactions due to increased customer activity. This activity requires personnel to review their existing HSA procedures to ensure transactions are handled properly. We'll explore the areas of employee eligibility, handling excess and mistaken distributions, investment diversification and product expansion, including how HSAs are being touted as a retirement savings vehicle in addition to a health care coverage option.

Attendees will learn:

- Partial eligibility rules and testing period
- Qualified HSA funding distributions
- Popular investment alternative selections
- Excess contribution correction methodology
- How to process mistaken distributions
- HSA Beneficiary options
- Distribution options after age 65
- IRS reporting requirements

ABOUT THE PRESENTER

Matthew Dickinson has more than 20 years in banking and retirement, and has held many titles within his career. Matt has worked for companies such as Ascensus, Merrill Lynch, Wells Fargo and Frandsen Bank and Trust. On a day-to-day basis, Matt helps financial institutions gain and maintain their knowledge base to manage their IRA portfolio. He works at a fast pace and can win clients and prospects over by how he operates – focusing on the consequences of not moving from the status quo. Matt wants to create a lifelong relationship with his customers and welcomes all questions and inquiries throughout the program.conferences and guest speaker at regional meetings.
