

# Missouri Bankers Association

## 2027 Scenes of Missouri Photo Contest

We are now accepting photo submissions for the 2027 Scenes of Missouri calendar from MBA member bank employees, directors, and their family members. So send us your photos that say Missouri—anything that features Missouri scenery, historical locations, the changing seasons, city scenes, wildlife, and more!

To be considered for inclusion in the 2027 calendar, photos must be submitted to the MBA by May 31, 2026. If you have a photo chosen for the calendar, you will be asked to sign a release granting publication permission. Photos not selected for use in the 2027 calendar may be retained for use in future calendars.

### HOW TO ENTER A PHOTO FOR CONSIDERATION:

1. Only digital photos will be accepted for consideration. Please limit entries to no more than 10 of your best photos.
2. Email your digital photos as attachments to [photos@mobankers.com](mailto:photos@mobankers.com). In your email, include all the information on the entry form below.
3. Submitted digital photos should be sent in the highest resolution format possible, JPG format preferred. For consideration as a monthly photo, images should be saved at a minimum of 300 dpi at the actual finished size of the image, at least 9 by 12 inches. Photos containing copyrighted images are not usable. Links to web sites for photos (social media sites, online photobooks or shared photo web sites, etc.) are not usable for this contest.
